PRE-SCHOOL ART EXPLORATION

Children and caregivers share the experience of creative exploration in a studio setting, while facilitating toddlers' socialization. Different tools and materials will be introduced, encouraging visual and tactile discovery. Emphasis is on process, rather than the completion of a defined project. Families may enter and leave any time during the hour as children's attention spans will vary. This is a parent-child activity; caregivers must please enroll, attend and actively participate. When registering: section 1 is for kids; section 2 is for caregivers. Class must meet minimum enrollment by Sunday, 1/4 in order to run.

PRE-SCHOOL MUSIC AND ART

Caregivers and children experience music and art together. Every week the class participates in music, movement and percussion instrument play. An art project follows the music portion of the class. A different theme weaves the two sections together to introduce your child to the connections between art and music. This is a parent-child class; caregivers must please enroll, attend and actively participate. When registering: section 1 is for kids; section 2 is for caregivers. Class begins in the dance studio (room 10). Must meet minimum enrollment by Tuesday, 1/19 in order to run.
